Finishing:

Block snowflakes if desired and shape on a terry towel to dry ensuring the

designs are straight. Let dry. Once dry; glue the snowflakes to each side of your Christmas ornament as shown, gluing just the tips of the snowflakes and center only. Decorate as desired or glue a ribbon rose to center of snowflake on one side and tie ribbon into a bow and glue to top of ornament. On the other side glue a small Christmas ornament to center of snowflake. An additional bow can be glued to the top of ornament if desired.

A Personal Thank you!

Stitch just the snowflakes alone if desired but they look beautiful when glued to an ornament as shown. Use white, or white and green, or colors you like best.
